## PRESIDENT'S COLUMN

Run the Race 2018

*by Dan Segool*

Hello Friends and Campers – I know that so many are excited for camp meeting this year. After a long, cold winter, people are ready to heat things up! Recently, my son Josh and I took advantage of a great day to put up the basketball hoop at the end of the cul-de-sac.

First, we had to clean things up! We swept up two good sized loads of stones, grit and other junk, and then put up the hoop. After that, I changed the oil in the lawnmower.

It all got me to thinking about camp. If Josh and I played basketball on the court with all those stones, it would be dangerous. We would lose our footing and fall down. Sometimes, we accumulate junk in our lives, and we need to clean some stuff out. This is what Peniel is about. We set ourselves aside for a good inspection by God. He'll take a look and show us areas where He would like to do some spring cleaning. This process might not seem fun to us at the time, but it is for our good! God might be looking at our lives knowing that he wants to equip us to do some spiritual picks and rolls, maybe launch a few threes. God knows that if we try to do that with a bunch of stones on our court, we will get hurt. But, if we will allow him to get that court clean and sparkly, he will have us playing to our full potential.

In a similar way, the lawn mower has been a faithful servant, but after a year of service, the oil is dirty and really needs to be changed. Sometimes, God's servants get a little worn out and the oil is dirty, maybe close to breaking down. God wants us to set ourselves aside for a bit to let Him minister to our souls. He will replace that old dirty oil with fresh, clean oil. We will be lubed up and ready for service! I suppose we all probably have some aspects of both in our lives - areas that need to be cleaned out and some that just need fresh oil. This idea of setting

ourselves aside for Godly inspection is not spoken of much these days, even in Christian circles. But, it is the reason Peniel camp exists, and it is FOR OUR GOOD! Don't deprive yourself of that!

My family and I always look forward to seeing you at camp. So RUN THE RACE and come to Peniel! Josh and I would be happy to shoot a few hoops with you!

## MISSIONARY SPOTLIGHT

*Rachel Wilson*

Rachel Wilson grew up going to Peniel as a child and teen and always felt the call to missions. After attending Geneva College to study elementary and special education, she moved to Asunción, Paraguay, to teach at an MK (missionary kid) school for eight years. There God confirmed the call to a life long career of missions. In 2011, she embarked on her missions career with SIM, serving at Bingham Academy, in Addis Ababa, Ethiopia, another MK school for her first term, 2011-2013. For the past two and a half years, she has ministered as SIM Ethiopia's MK care coordinator and an educational consultant for families that are home schooling while serving in Ethiopia.

*Glenn & Linda Wilson*

Glenn and Linda have been our camp alumni representatives in China, as Christian international workers for over 15 years. In this creative access country, they serve and share by teaching English, most recently to adult professionals such as doctors, nurses and government officials. They were teen campers here at Peniel, and later God brought them together here. They look forward to being with us.
