## EVERYTHING HAS CHANGED?!

*President's Message by Dan Segool*

As 2020 began, I found myself thinking about Peniel at 125 years! Who would have thought that in a few months we would not be able to go to work, not be able to see loved ones and friends, and our children could not go to school? Who would have thought that our nation and world would see so many die from a virus that most of us had never heard of prior to 2020? Just like that, everything changed.

But, if we would take a step back, we would acknowledge that things are always changing. Perhaps not at the frenetic pace of the past few months, but they change none-the-less. Some changes are temporary; this pandemic is likely an example of that. Pandemics have happened before in human history. They do eventually pass. Some changes are more permanent. When we receive the news of a loved one's passing, we know that our lives will never be the same again. Our life isn't over; there will be happy days to come, but it won't be quite the same without this loved one. Sometimes, we struggle with all the change, feeling blindsided by it.

Yet, we serve a God who is not surprised or blindsided by anything that goes on in this world. God never changes. When the seas of change are rising and the waves are breaking over our bow, we can be encouraged by knowing that we serve the Master of the seas.

So, God wasn't surprised when we made a decision to postpone our 125th Annual Encampment to 2021, but he does share in the sorrow that we feel. There are many things we will miss —wonderful music and ministry in the Tabernacle, fun games for our youth and children, fellowship around the dining hall tables and snack stand, and the warm glow around a fire in the evening. These are all good things, but they are not the most important thing.

Peniel Holiness Association exists for the purpose of promoting Biblical Holiness. It is the most important thing we do. It is more important than our facilities and grounds, more important than any other activity we do. We can never lose sight of this and to an extent, this current crisis forces us to pare down to what is most important.

Throughout the New Testament, we read how early believers faced many challenges as they spread the gospel. In fact, many of them paid with their lives, yet they were determined to share the good news of Jesus, regardless of the cost. As their spiritual children, we can do the same, and thanks to technology, we have an opportunity to share the gospel, even to the ends of the Earth.

Read more in this newsletter as to how you can connect with us in the coming weeks, both virtually or in-person. There is something for all ages, from children to youth to adults.

We pray for God's blessing and protection to be upon you and urge you to remain healthy and strong, both physically and spiritually! - Dan & Lori

## 2020 REVIVAL SERVICES

July 15-19, 2020

### Dr. Gary Bond

In October of 2009, The Board of General Superintendents appointed Dr. Gary Bond to be Revivalism Coordinator for the general church. Dr. Bond received his training at Purdue University and Olivet Nazarene University. In 2015, Olivet Nazarene University awarded him an honorary Doctor of Divinity degree. Dr. Bond has been an itinerant evangelist and song evangelist since 1969. He continues to conduct revival meetings and camp meetings, alongside his wife Beth, in addition to his responsibilities to Revivalism Ministries and the general church.

### Dr. Stephen Manley

Dr. Manley is God-called to evangelism, to train the younger generation, and to teach and preach the Word. In his over 40 years of traveling as an itinerant evangelist, he has started informal Bible training centers in at least 24 countries. Currently, he pastors Cross Style Church in Lebanon, Tennessee, as he continues his passion as a "Jesus Pusher." He and his wife, Delphine, have served together in ministry for over 50 years.

### The Foresters

Friends and camper favorites to Peniel, the Foresters will bring a special concert for Saturday evening's revival service. Mark and Andrea Forester bless people around the country with their talent to sing southern and traditional Gospel Music. They sing many of the great old hymns and gospel songs of the church.

## PENIEL YOUTH DAY

August 9, 2020

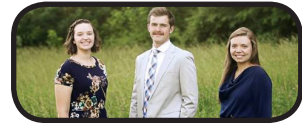

### Andrew Bird

Originally from the sunny state of South Carolina, Andrew Bird now resides in Mount Vernon, Ohio, where he is the Youth and Worship Pastor at Lakeholm Church of the Nazarene. He is a seasoned Youth Pastor and has served students in church settings since 1993. As an ordained Minister with the Church of the Nazarene, Andrew has also served as a Lead Pastor, Worship Pastor, Small Group Pastor, and a Church Planter.

### Anthem

Kentucky Mountain Bible College brings talented students, all devoted to Jesus, disciplined, and determined to reach for the prize of the high calling to minister. One of its musical groups, "Anthem," will share their talents with us on Sunday morning, August 9. The group includes Sharon Clegg (a Peniel camper), Zachary Sparks and Kennadi Foy. The focus on traditional Biblical values, spiritual character, a caring family atmosphere, a passion for holy living, and high academic standards enrich each KMBC student.

### Sanitarium Road

Sanitarium Road is a contemporary worship band intent on experiencing the manifest presence of our Holy God through absolute abandon to our Savior and Lord Jesus Christ. They are a parachurch ministry in the Pittsburgh region reaching people at churches, festivals, camps, nursing homes, and mission shelters, among other outreaches.

## ATTENTION CHILDREN!

Since 2016, Mr. Jason and Aunt Lora Campbell have served together with One Mission Society's ministry One Mission Kids. They create world-focused mission resources for school-age children 4-14, to equip, empower, and encourage parents, schools, and churches to raise up future generations of mission-hearted leaders.

This summer they are hosting a virtual missions adventure **July 13-24 (Monday-Friday)**. To learn more and to register for your camp event visit:
