PRESIDENT'S COLUMN

Four Reasons

by Dan Segool

Hello Friends and Campers!
It is really hard for me to believe this, but our 2017 encampment will mark my 12th encampment serving as

President. The time has sure flown by! This means that I have written 12 of these articles leading up to camp; sometimes it seems hard to be original! Looking back on these articles, almost every one reflects these four sentiments:

- **Excitement** – Every year I am excited about the upcoming encampment. For those of you who know me well, you know that my mind is churning away, filling clipboards with lists of things to do to make sure we have Peniel ready for whatever God wants to do! Camp is exciting because it only happens once a year. Most of all, camp is exciting because of the two most special parts, GOD and YOU. What a great opportunity to spend time with both of you!
- **Concern** – Every year, I am concerned about what I see going on in the world around us. Guess what? I'm still concerned, and you probably are too. At Peniel, we are growing and going deeper with God. I have learned a lot. I wish I could say the same about the world, but I can't.
- **Urgency** – These first two points lead directly to the next feeling I have each year. When you become excited about camp, realize it is only once a year, and then see all the concerning things in this world, you develop a sense of urgency. We only have 10 days to make a difference for the next year! This makes every moment preparing for camp and during camp critical. Peniel can and does make an eternal difference, but the limited timeframe of our ministry

means that stakes are even higher. If Peniel is going to make a difference, you need to be there. God blesses and uses people through Peniel. If you're not there, he can't bless you and use you!

• **Blessing** – Finally, I reflect on God's blessings. He has been so good to Peniel. He has been good to me and surrounded me with wonderful people through this ministry. You know what that thought does? It gets me excited for camp! So, I start back at my first point. Repeat as many times as necessary.

Ok, now you know that I am excited, concerned, urgent and blessed. I hope that you experience the same sentiments. Let's do something about it and, TOGETHER, have a great camp meeting.

Lori, DJ, Courtney, Josh and I will sure be excited to see you!

HOW TO FIND CAMP

Peniel Holiness Camp is located just 1 mile north of Conneautville, on PA Rt. 18. The campus is situated on 15 acres, which were purchased in 1900.

YOUTH & CHILDREN

Adam & Valerie Vanaman, Youth Superintendents/Evangelists

Adam serves as the Dean of Students at Mt. Carmel School in Jackson, Ky., where he and Valerie have been serving since 2010. Adam graduated from Kentucky Mountain Bible College in 2012. They have three boys: Isaiah 5, Levi 3, and Titus 2. They love to teach young people and have offered youth counseling, preaching and teaching at various camps throughout the U.S.

Jason & Lora Campbell, Children’s Evangelists

Together, Jason and Lora Campbell, big kids at heart, lead the One Mission Kids (OMK) ministry of One Mission Society, creating original music, websites, audiovisual presentations, and VBS-type mission programs for kids. In the summer months, “Mr. Jason and Aunt Lora” travel to churches and camps to help test OMK materials as missionary speakers and children’s evangelists. They continually develop imaginative ways to introduce the concepts of missions to kids to help grow missionary hearts.

MUSICIAN

Brian Arner, Song Evangelist

Although he was exposed to music as he grew up in the church, it was not until he was 23 that his voice was revealed. Since that time, Brian has been singing from his heart the praises of Jesus Christ. Although Brian is a skilled musician with numerous album recordings, he is first and foremost a music minister. Nearly every week of the year, Brian can be found leading worship and offering solo concerts and special music across the country. Brian believes “authentic worship and praise is an expression of what Christ is doing in your heart. We can do that through old songs and new songs.”
